

Singapore Amazing Flying Machine Competition (SAFMC) 2022

Our D&T students participated in the SAFMC competition organized by DSO National Laboratories and Science Centre Singapore. In Category B of the competition (for Secondary Schools/Integrated Programme), the objective was for students to design and build small unpowered bungee-launched gliders to achieve the farthest and most precise flight.

We are delighted to announce that one of the teams, **Team High Fives**, won the **Most Creative and Aesthetic Award** in their category, with their flying machine inspired by *Toothless* from *How to Train Your Dragon*!

The team members from 2E1 are:

1. Teo Xu Cheng Vince
2. Huang Jiasheng
3. Ng Chek Meng Zaccheus
4. Ong Zi Tong Jonaz
5. Ooi Le Yang

Congratulations!
