

PG announcement page:

Dear Parents/Guardian,

As part of the academic support provided for our graduating cohort, the school has planned various sessions to hone their skills and consolidate their learning in the various subjects. These sessions could take the following modes:

- Practical
- Small-group consultation
- Revision
- Timed practice (in preparation for the national examination)

The sessions will be conducted after school and the consolidated schedule is attached, for your information. Students will be informed by their subject teachers in advance if they are required to attend the sessions and of the start/end time for each session.

Thank you.
